

ST. ANTHONY OF PADUA ROMAN CATHOLIC SCHOOL

2020-2021

Choosing a school for your child is an important and lasting decision that will have an enormous impact on your child's future.

Here are some of the benefits of the Catholic education children receive at St. Anthony of Padua Roman Catholic School:

Values and Faith

- The values and faith taught to children by parents at home are reinforced every day at school and in our co-curricular activities.
- The faith-based environment encourages all students to develop a relationship with God and instills Christlike living.
- Catholic school emphasizes moral development and leadership skills.
- Besides classroom instruction in religion — liturgical and sacramental participation is part of our school program, including preparation for sacraments and weekly all-school liturgies.
- A Catholic education fosters compassion and service: Beginning in kindergarten, St. Anthony of Padua integrates community service as a basic part of the curriculum throughout the school experience.

Strong Academics

- Curricular and instructional practices are guided by current research and best professional practices with a comprehensive set of standards that meets all state regulations and guidelines.
- A variety of instructional practices allow teachers to accommodate multiple learning styles, needs, and levels.
- As a Catholic school, our mission is to educate the whole child; therefore, we have taken the principals of Science, Technology, Engineering, and Math (STEM) and infused Religion across all subjects and immersed the Arts (STREAM) to provide students the creative thinking skills necessary to communicate and advance STEM in the real world. STREAM is not a new curriculum, but a framework for intensive instruction. STREAM uses technology to advance the experience. Not only will students use traditional textbooks, but will also use various technological devices to explore, process, and learn.

Enhanced Technology

- St. Anthony of Padua is dedicated to the enhancement of technological education. Our classrooms are equipped with new computers, interactive projector systems, and one-to-one student devices.
- Included in your child's curriculum is a state-of-the-art Makerspace, which includes a Technology Center, Broadcasting Green Room, Sound Booth, and Fabrication Area with 3-D printing!
- Students are not just taught how to use the latest technology, but they are taught how to apply technology as a tool for learning and problem solving.

Payments & Tuition

St. Anthony of Padua Catholic School accepts a variety of payment options and schedules through our Tuition Management Program. To learn more about tuition rates, please contact the school office at (702) 914-2175. Tuition Assistance is available to families in need of a little extra help. Please fill out a FACTS (factsmgt.com) application prior to contacting the Principal or Pastor to confidentially discuss your needs.

***Active Parishioner Rate^^:** St. Anthony of Padua offers a discounted rate of tuition for St. Francis of Assisi parishioners attending Mass here on a regular basis. Registered and contributing parishioners are defined as those who: A. **Register** and **Attend** Sunday Mass regularly with their child/children. B. **Contribute** regularly to the offertory of the parish in the prior calendar year. C. **Participate in the life of the parish community** by the consistent commitment of your time, talent and treasure, which includes volunteering at the school, special events, and parish ministry.

^^Any Exception for Tuition Rate is determined by the Principal and Pastor of St. Francis of Assisi Roman Catholic Parish.
